RE: 216 PATERSON PLANK ROAD SITE  
CARLSTADT, NEW JERSEY  
OFF-PROPERTY INVESTIGATION: INTERIM DATA REPORT

Gentlemen:

On behalf of the 216 Paterson Plank Road Cooperating PRP Group (Group), and in accordance with the approved Work Plan, we enclose four copies of the Interim Data Report for the above investigation. Copies of this report have also been provided to the New Jersey Department of Environmental Protection under separate cover.

The main text, tables and figures of this report present an integrated summary of the data obtained in the current and previous investigations; all of the detailed data obtained in the recent investigation is provided in Appendices. The report also outlines additional work which the Group believes is appropriate to complete the off-Site characterization. In accordance with the approved Work Plan, the Group wishes to schedule a meeting with the Agencies as soon as possible to discuss this report and agree on the additional investigations required.

Please do not hesitate to call if any questions arise during your review of the report, and we look forward to meeting with you in the near future.

Very truly yours,

GOLDER ASSOCIATES INC.
